Health Precautions at Mass

Out of an abundance of caution, we will be making the following changes at Mass for the time being.

- 1. **We have hand sanitizer at the entrances to the church** and encourage everyone to use it as they enter the church. Our supply of hand sanitizer is limited, so consider bringing your own to use.
- 2. **We are suspending the distribution of Holy Communion from the chalice.** This is not only for the health of everyone receiving Communion, but also the EMs and priest who drink from the chalices after everyone else.
- 3. **We are suspending the sign of peace.** The sign of peace is optional at Mass.
- 4. **We discourage people from holding hands during the Our Father.** Holding hands during the Our Father is actually not a prescribed posture anyway.
- 5. **We encourage anyone who feels ill or has a cough to stay home.** People who are ill are not obligated to attend Mass.
- 6. **Holy water has been removed from the stoups.** However, holy water is still available for personal use from the dispenser at the entrance of the church.

Hopefully these are the only precautions we will need to take, but to stay updated about this or any other parish news, sign up to receive parish emails at stjoepsj.flocknote.com

Building for the Future

For the past few years we have had to run the parish on a very lean budget. But because of your generosity and increased offertory, we now have—and will have—the opportunity to do more: with religious education for children and adults, not deferring maintenance, other parish improvements, etc. As you know, we will be building a new rectory in the near future, so thank you for your continued support!
