Mass Time Changes

For the last few years, at certain times of the year, Sunday Mass at St. Joseph has gotten a little crowded. Often, Mass has been standing room only. This a great problem for the parish to have! But it also needs to be remedied

Since we are also blessed to have the parishioners from Our Lady of Guadalupe join us--and they are coming from the Central Time zone--it is time to add a later Sunday Mass.

The new Sunday Mass schedule will begin on Palm Sunday, April 14, 2019. The new schedule will be 9:00am and 11:00am, Eastern Time. Saturday Mass will remain at its regular time.

This will affect a few things, like our musicians, lectors and extraordinary ministers of holy communion. So please help us as we make this expansion to our Mass schedule!

Sunday Mass Refreshments

Please volunteer to help with refreshments after Mass either by bringing food or setting up. For more information, contact Judy Todd 352-464-1284

Stations of the Cross

Join us each Friday during Lent for Stations of the Cross, in the church, at 6:00pm.

Following Stations of the Cross, we will have a soup supper in the parish hall. Feel free to bring a meatless soup or other dish to share. Everyone is welcome to come and share a meal.

March 30-31: announce members of pastoral council

Please keep this process in your prayers!

An Idea for Lent

A few people have asked for a quote from the homily last Sunday. It's a good thing to keep in mind as we seek to follow the Lord more faithfully in our families, relationships, places of work, and parish:

“The three poisons of community life are complaining, sarcasm, and gossip. We strive to use our speech to encourage, affirm, and show gratitude.”

- from the Life Teen Summer Missions Rule of Life 2016

Church Sound System

You may have noticed we have not had a sound system working in the church for the last few weeks. Unfortunately we will continue not having one for a few more weeks while we wait for parts of the church to get put back together.

Fortunately, when we do get everything put back together, we will have an even more robust sound system.

Thanks for your patience.
