Gospel Reflection

St. Luke begins his Gospel with a short explanation. This introduction to his Gospel gives us the opportunity to look more deeply at the Holy Bible.

What is your approach to the Bible? How often do you read it? How thoroughly do you understand it? Is the Bible the foundation of your life of faith and knowledge of God?

Sacred Scripture is a gift beyond our imagination. It's a gift from God through which He reveals His perfect love and His perfect plan for us. We should know the Scriptures well, read them often, pray over the verses and allow all that is revealed within those pages to become the foundation of our lives. Let's reflect upon one particular aspect of Sacred Scripture.

The Bible is 100% the work of God and 100% the work of the human author. It is 100/100 so to speak. This means that the human author completely cooperated with the inspiration of the Holy Spirit in writing each book and letter. And God, for His part, guaranteed that all that was written came from His heart and inspiration. Therefore, this joint effort reveals that God used the human author for a divine purpose. *My Catholic Life*

Meditation

Reflect, today, upon two things. First, reflect upon the gift of the Bible and the way that God used the human author to give you this gift. Second, reflect upon the fact that God wants to use you, in all your weakness and sin, to bring His divine presence into our world. Be open to that gift so that you may become a living gift of the Word of God to the world.

Most glorious Eternal Word, I thank You for the wonderful gift of Sacred Scripture. Thank You for all that You have revealed through this gift and for the way that You used the human author for the transmission of Your life. Help me to always be open to Your divine Word and to always be open to becoming a living presence of that Word in our world. Jesus, I trust in You.
